DLCC 2007 Conference

Language and Culture at a Distance

20-22 March 2007

What did we hope to accomplish?

The only thing harder than getting a new idea into the military mind is getting an old one out.

B.H. Liddell Hart

Thinking outside of the proverbial box

What's Next

- Can we leverage what the individual Services are doing to collectively achieve our learning objectives?
- Are there DL solutions?
- How do we apply DODI 1322.26?

Thank you to
